Document Code: QM 4-09	REPORTING OF TEST RESULTS		

Introduction

This document provides the principles for the issuance of Report of Test by the analytical laboratories of BFAR-RFLD XII according to the requirements of the sub clause 7.8 of the PNS ISO/IEC 17025:2017 standard.

1. Issuance of Report of Test

Test results in a Report of Test provide all necessary information.

Each Report of Test is reviewed and authorized before its release. Issue and control of each Report of Test is carried only by authorized personnel of the laboratories.

Report of Test provides unambiguous and objective information leading to the interpretations of the results by the customer. For further concerns, these services are provided independently of the Report of Test, as separate services.

2. Modifications and Recall of Report of Test

Modifications of Report of Test are carried out only under specific conditions and according to the respective procedure.

Recall of Report of Tests may take place only upon the approval of the Management of BFAR-RFLD XII and only after using any other possible means to resolve the problems.

3. Records

Records of Report of Tests are fully protected and held safe to avoid any deterioration. Access to records of Report of Tests is provided only to authorized personnel of BFAR-RFLD XII according to the respective procedure.
