Document Type Standard Operating Procedure	Revision No: 0	Date Adopted: 13 Aug 2019	Page No: Page 1 of 3
Document Code: SOP-05	EXTERNALLY PROVIDED PRODUCTS AND SERVICES		

Introduction

This Standard Operating Procedure describes the necessary actions and tasks for the provision of testing services according to requirements of sub clause 6.6 of the PNS ISO/IEC 17025:2017 standard

The document aims to provide procedures to ensure that all purchases of the supplies, consumables, services, equipment and other items shall conform to the standard requirements of the end users.

The purchasing process follows the RA 9184, The Implementing Rules and Regulations of Republic Act No. 9184, Otherwise Known as the Government Procurement Reform Act.

1. Responsibilities

1. The Laboratory analyst is responsible in the inventory of supplies needed for the analysis and informs the Purchase and Supply Officer for the preparation of Purchase Request.
2. The Laboratory Manager signs the **“requested by”** section in the purchase request.
3. The Purchase and Supply Officer prepares and facilitates for the approval of the purchase request by Regional Director.
4. The Quality Assurance Manager ensures that the objectives of this procedure are achieved.

2. Framework of Purchasing Services and Supplies

- 2.1 Purchase requests are made based on the LF 05-01, Inventory Form and Project Procurement and Management Plan (PPMP) of the year.
- 2.2 The Purchase and Supply Officer prepares the Purchase Request of the supplies/services with the desired specifications or scope of work.

Service providers of specific items must be accredited to the following ISO requirements:

- Calibration – PNS ISO/IEC 17025:2017
- Proficiency test – ISO/IEC 17043
- Kit Manufacturers – ISO 13485:2016

The mode of procurement is stated in the PPMP. The laboratory communicates its requirements to external providers through the Purchase Request and PhilGEPs.

- 2.3 The Purchase and Supply Officer records the request in the LF 05-06, Dispatch Logbook and facilitates the approval of the purchase request following the internal government procedure for purchase.

- 2.4 The selection of suppliers is based upon the LF 05-03, Service Provider Information Sheet. The laboratory follows the procedure of procurement of goods in accordance to RA 9184 Government Procurement Reform Act.
- 2.5 When the requested item is delivered, evaluate if it is in accordance to the specifications by end user, LF 05-04, Supplies and Materials Inspection and Receiving Form. If it conforms, accept the delivery and the sales invoice. Otherwise, return for replacement and LF 05-09 Delivery Rejection/Discrepancy Notice Form will be sent to the supplier.
- 2.6 Suppliers are evaluated of their services as per LF 05-05, Service Provider Evaluation Form.
- 2.7 Update the LF 05-01, Inventory Form.
- 2.8 Store accordingly following FEFO (First Expiry, First Out).
- 2.9 File the purchasing records (copy of approved Purchase Order, Purchase Request, Sales Invoice/ Delivery Receipt).
- 2.10 External documents are photocopied and filed in the laboratory.

3. Evaluation, Re-evaluation and Monitoring of Performance of Suppliers

- 3.1. Before the first purchase, the laboratory asks the supplier to provide documents stipulated in LF 05-03, Service Provider Information Sheet.
- 3.2. The criteria are set according to LF 05-05, Service Provider Evaluation Form. The laboratory opts for a responsive quality validated supplier who values after-sales service.
- 3.3. The supplier is evaluated after the service is provided by the Purchase and Service Officer.
- 3.4. A copy of the evaluation form will be given to the suppliers. For failing scores, the laboratory will ask the supplier to provide corrective action. Acceptance criteria is reflected in LF 05-05, Service Provider Evaluation Form.
- 3.5. Suppliers with failing scores (60%) will be re-evaluated for the next purchase. If the supplier received failing scores for three consecutive purchases, the laboratory will inform the Bids and Awards Committee regarding the assessment of the supplier with failing remarks and remove in the list of recognized suppliers.
- 3.6. Monitoring of performance of suppliers through obtained scores will be reported during management review.
